**SETTIMANA DEL PROGETTO
DI ARCHITETTURA NEL MONDO**

WORKSHOP / CALL FOR PARTICIPATION

SPAM is seeking **60 participants** from any part of the world to join a workshop on
the themes of the urban regeneration which will take place in Rome, at the Casa dell'Architettura
from 11th to 18th October 2019 on the occasion of the first **Settimana del Progetto di
Architettura nel Mondo** (SPAM), a new annual fall Architecture festival held in Rome.
The workshop will be divided into three Labs, each of them directed by a major international
artist. **Manuel Aires Mateus**, **Orazio Carpenzano** and **Gianluca Peluffo** will be the three architects
in charge for the Labs.

OBJECTIVES
To identify and exchange good practices and inspiring examples on the urban regeneration about
areas choosen in the center of Rome together with Rome 1 district (primo Municipio)

PRELIMINARY PROGRAM
7 days of meetings, work and field visits to relevant project sites. Participants will have free
access to the whole program of SPAM 2019.

FINANCING
The participation fees are as follows:
• Students: € **120**
• Architects and professionals from other disciplines: € **160**

FORMATIVE AND UNIVERSITY CREDITS
A certificate of attendance will be released to the participants;
Professional and/or academic credits will be assigned (20 professional credits, 4 academic credits).

MANDATORY ELIGIBILITY REQUIREMENTS
Applicants must be attending a degree course in architecture or equivalent organization
or an academic institute whose work is related to architecture and/or urban commons.
The organization can be based anywhere. Foreign applicants are welcome.
Applicants should have significant experience. We recommend students from fourth year
onwards, PhD students, and/or young professionals. Groups will be formed by people from
mixed discipline experiences. Architecture, landscape, city planning, sociology, art, are preferred.

To apply, please submit the following required documents **by 17.00 PM Monday 16th,
September 2019 to the following address**: **info@spamroma.com**
1. CV
2. Relevant works (publications, projects, etc.) max 5mb
3. Your expectations and the expertise you can contribute to the mission (max 1.500 characters).
